This is a decision on applicant's PETITION UNDER 37 CFR 1.182 to change the name of inventor filed in the United States Patent and Trademark Office (USPTO) on 25 August 2008. Applicants request that the application reflect joint inventor Stephanie Gyppaz's name change to Stephanie Duchiron. The \$400 petition fee has been charged to applicant's deposit account per his authorization.

Applicant now submits the petition under 37 CFR 1.182 to change the inventor's name from **Stephanie Gyppaz's to Stephanie Duchiron** is **GRANTED**. The declaration, executed by inventor Stephanie Gyppaz indicating that her name changed to Stephanie Duchiron due to her marriage, provides sufficient evidence of her name change. The declaration submitted on 05 March 2008 meets the requirements of 37 CFR 1.497(a) and (b) and is acceptable.

A review of the 09 May 2008 Notification of Acceptance indicates that the date of receipt of 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) and the date of completion of all 35 U.S.C. 371 requirements is incorrect. The Notification of Acceptance is hereby VACATED and a new Notification will be issued. The correct 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) date and the date of completion of all 35 U.S.C. 371 requirements is **05 March 2008**.

The application will be forwarded to the United States Designated/Elected Office for further processing, including the issuance of a new Notification of Acceptance in accord with this decision.
